Coding Challenges Details:

Program 1:

```c
#include <stdio.h>

void triangular_series(int n)

{

                              for (int i = 1; i <= n; i++)

                                  printf("%d ", i*(i+1)/2);

                              printf("\n---------------------------\n");

}

int main()

{

                              int n ;

                              printf("Enter value for n\n");

                              scanf("%d",&n);
```

```
        triangular_series(n);

        return 0;

}
```
